TO: Mr. Zsolt Aradi

FROM: Lt. Colonel Howard M. Chapin

We have cleared the letter you brought down through Mr. Offie who will have it delivered to Mr. Merrill for final delivery in Budapest. Please remember that any further deliveries of such mail through these channels must be kept to a minimum and must be justifiable in maintaining useful contacts.

I spoke to Mr. Offie about your family's trip to Switzerland and he states that there are established channels for obtaining these visas which should provide no trouble at all. Simply ask for a visa at the Swiss Consulate. The Swiss are permitting the entry of a considerable variety of people and will probably require only evidence that your family will not become a public charge. If you require any certificate beyond your present identification papers as an employee of this organization, let me know.

H. M. C.

P.S. All future letters written in Hungarian must be accompanied by English translations before they can be transmitted to Budapest.
